- ▶ Online training will attract tech savvy volunteers from which to recruit new poll workers.
- ▶ Introduce new technology so volunteers will be comfortable and confident on Election Day.
- ▶ Use test results to focus face-to-face training on most frequently missed questions.
- ▶ Reinforce and test the knowledge of previously trained volunteers.
- ▶ Makes training more convenient. Can take training anywhere with web or computer access.
- ▶ Refresh training before Election Day.
- ▶ Introduce volunteers to key terms and concepts before taking face-to-face training.
- ▶ Animation and video bring documents to life.
- ▶ Saves time and money.
- ▶ Use technology to leverage HAVA resources.

Online Poll Worker Training

HAVA Partners specialize in leveraging the power of the Internet to explain complex ideas in an easy to understand, user friendly way!

In 2004 we worked with election officials at the county and state level in Iowa and Virginia to:

- > Teach voter rights under HAVA
- > Explain and demonstrate the use of the voting machines
- > Train, test and certify poll workers
- > Provide 24/7 access to training materials and the ability to ask questions
- > Schedule and manage workers online
